## Amazon.com Review

Among the seminal texts of the 20th century, *Nineteen Eighty-Four* is a rare work that grows more haunting as its futuristic purgatory becomes more real. Published in 1949, the book offers political satirist George Orwell's nightmare vision of a totalitarian, bureaucratic world and one poor stiff's attempt to find individuality. The brilliance of the novel is Orwell's prescience of modern life--the ubiquity of television, the distortion of the language--and his ability to construct such a thorough version of hell. Required reading for students since it was published, it ranks among the most terrifying novels ever written.

## Review

"It is probable that no other work of this generation has made us desire freedom more earnestly or loathe tyranny with such fullness." --Mark Shorer, *New York Times*, 1949

# 1984 BY GEORGE ORWELL PDF

Orwell depicts a gray, totalitarian world in which privacy does not exist, news is manufactured according to the authorities' will, and those with unorthodox ideas are brainwashed or put to death. Orwell's 1949 nightmare vision of the world we were becoming is still the great modern classic of negative Utopia.

A must read!!

By KR

In the 1960's I first read this book. It has been a guiding reminder through these years of how fragile freedom and democracy can be and of how important it is to be vigilant and aware of trends that may destroy them!

Five Stars

By Amazon Customer

This book is stunning, really makes you think how degraded our government has become.

Perfect Primer for POTUS 45

By Paul Paron

I'd read this year's ago but I thought was a good idea to read it again and brush up on things

Today Kellyanne Conway announced that we were given alternate facts. Shades of changing the past and controlling the present
