WARNING: This book is for **ADULTS ONLY!** My story contains detailed accounts of canings, spankings with a plimsoll, BDSM and explicit sexual content. It is not suitable reading for anyone under 18 years of age.

This is an unusual story in that the first half is told by Mandy and the second half is told by her husband Mark.

Mandy is a wife who has become used to regular canings and spankings with a slipper from her husband Mark. A series of events involving their next door neighbour is to change things around and suddenly it is Mark who unfortunately finds himself on the receiving end of the fierce slipper and the cruel cane. He learns the hard way how merciless some women can be.
