“This volume is the best yet in English on the subject of the secular art song. . . . It is full of both objective information and personal reactions, and will be read eagerly by all those who love song.” ?Catherine K. Miller, Library Journal

This is the story of almost a thousand years of song, from the time of the troubadours to the present day. Dealing exhaustively with the history and development of secular art-song in the Western world, the book is an indispensable guide to the amateur music-lover, the student, and the singer.

Good

By Ariella Vaccarino creator of Voice Lessons To Go

We used this book when I studied voice in College. It was a great overview of the development of art songs. If you are really interested in classical song this is a great reference.

Check Out: Vocalize!

Good Service

By Nocturne

The service was excellent! It came timely enough for when I needed the book for class. Thank you!
