When Jeff Buckley drowned in Memphis in 1997 at the age of 30, the music world lost one of its most original and promising voices. His 1994 debut LP *Grace* showcased his soaring eight-octave vocal range and fluid guitar playing, and was hailed as an instant classic, winning him legions of devoted fans the world over. Photographer Merri Cyr was there from the beginning, shooting his album covers and accompanying him on tour, capturing priceless images of Buckley's boundless charisma and many-sided personality. Now she has assembled an unforgettable and poignant collection of recollections from friends and members of his inner circle and photographs, many never before seen, of an artist whose untimely death - and the timeless music he left behind - continue to resonate. Hardcover, 340 full-color photos. Merri Cyr is a photographer and video artist. She lives in Brooklyn. "A tremendous anthology ... ravishing portraits of a singular, much-missed singer." - Rolling Stone Play Jeff Buckley's songs with our Guitar Recorded Versions tab transcription book - 00690451.

Great!

Bought this for my son who is studying guitar in LA. His ultimate inspiration is Buckley, so actually I expected him to have known about the book and to have found fault with it! Not so. LOVES IT... can't put it

down. Great pictures (lots of 'em) and he loves the anecdotal write-ups. **HIGHLY** recommend :)

Worthwhile for fans

By Chenoa Robbins

This is a beautiful book of photos and interviews. Cyr and Buckley had an excellent artistic relationship that produced insightful work. I found myself turning the pages carefully so as to not leave fingerprints on the photos. The interviews were emotionally charged, and said many things over and over, a re-enforcement of the mark he left on many. I am glad I followed my impulse to buy this. Were I not a Buckley fan, I'd enjoy the book simply for the quality of the art.
