Powerful and Simple

By Reuben Junior

I had the honor of sharing from this workbook at my first church equipping event 3 weeks ago. I have to say, it was REALLY GOOD. How do I know? After the event, (two days later) I had a meeting with the Church Pastor and the very next day they had experienced an enormous change in their members. People were testifying how they had learned who they really are in Jesus and the power and authority they have in Him. I HIGHLY recommend this workbook. I also use this workbook for my wednesday night fellowship and hit the streets with my group once a month and have seen great results. My family and I also exercise and walk in this everyday. It's become a lifestyle to heal the sick, cast out demons and set the captives free.

Wow

By Whitney Robinson

I honestly needed to read this book. Now that I have, I now know how absolutely empowered I am to speak the word of Life for anyone, including myself. I now understand the power and authority I have been entrusted with and this writing has helped me become more confident when praying over any circumstances. I recommend reading this book, if you wonder why you are not seeing the healing hands of Jesus in your life and those around you. Or if you need to know how to pray for the sick. Thank you, Cornel and Simon. Only

one suggestion for the writers, though many things are stupid, this is true, you might have overused the word.

Great resource

By Deitra Brunner

After reading this book along with his other book, "So You Think Your Mind Is Renewed", I had to create another collection in my Kindle so that I can go back and actually do in depth studies on these books. The information is eye opening and highly inspiring. This book really helped me connect the dots with the bread of life and just why He is necessary. Truly a must read!
