AFRICAN AMERICAN HERITAGE HYMNAL: 575 HYMNS, SPIRITUALS, AND GOSPEL SONGS FROM BRAND: GIA PUBLICATIONS PDF

Eight years of inspired work by a committee of more than 30 musicians and pastors, all leaders in African American worship and gospel music, have resulted in this compendium representing the common repertoire of African American churches across the United States. For the first time in an African American hymnal, traditional hymns and songs are notated to reflect performance practices found in the oral tradition of the black church in America. At a time when such traditions are falling victim to modern technology, this book strives to preserve this rich heritage for future generations. Presented are litanies for "Fifty-Two Sundays of Worshipful Celebration" outlining an African American church year, including such special days as Martin Luther King Sunday, Elders' Day, Mother's Day, and Men's Day. Also included are 52 responsive scripture readings from the Old and New Testaments and an extensive index that includes scriptural and thematic cross-references.

Oh I love this hymnal!

By Ladysingingtheblues

This hymnal should be apart of every pianists collection (not just African American ones). It has a lot of old hymns, contemporary hymns, and the biggest collection of spirituals I have ever seen- But its even more than good songs. There are beautiful arrangements, gospel twists to certain hymns, and there are a number of hymns with pretty transitions to new keys. I have trouble thinking of clever transitions that can really move the congregation to an uplifting key and this book does the work for me. Again, nice hymnal to have on

hand.

Glory attack in one volume- a must buy

By Shawn Koester

African American Heritage Hymnal is nothing short of phenomenal. I wish I could give this hymnal more than 5 stars. In truth it is worth 20 stars. I am a Progressive Evangelical and I love to death music that is foot stomping, hand clapping and full of passion. This collection is good for congregations across the theological and denominational spectrum. It not only includes the hymns of our fathers and mothers but includes music from the contemporary worship, gospel and African American spirituals traditions. Many of these pieces I grew up with and many of them are new to me. Making a joyful noise unto the Lord makes me beam with joy and tears in my eyes and this collection is a must for any church musician, pastor, lay person or any person who lives vibrant Gospel music. As one of my favorite spirituals says, "I'm Gonna sing so God can use me- anytime, Lord, anytime!"

African/American Hymnal. The best buy for your money!

By nancy lucke

Oh my gosh! This is the most wonderful hymnal. It has all our gospel and old negro spirituals that we all know and love so much. I fingered through it singing the whole time. If you play piano and/or organ it is a must buy. The hymns are large print but not huge and the accompaniment is so great! A fabulous buy for \$19.99.
