About the Author

John French is a writer and freelance games designer from Nottingham. His work can be seen in the Dark Heresy, Rogue Trader and Deathwatch roleplay games and scattered through a number of other books, including the award-nominated Disciples of the Dark Gods. When he is not thinking of ways that dark and corrupting beings can destroy reality and space, John enjoys talking about why it would be a good idea, and making it so with his own Traitor Legions on the gaming table... that and drinking good wine.

AHRIMAN: EXILE (WARHAMMER 40,000 NOVELS) BY JOHN FRENCH PDF

A Chaos Space Marine Sorcerer seeks the power of the gods

All is dust... Spurned by his former brothers and his father Magnus the Red, Ahriman is a wanderer, a sorcerer of Tzeentch whose actions condemned an entire Legion to an eternity of damnation. Once a vaunted servant of the Thousand Sons, he is now an outcast, a renegade who resides in the Eye of Terror. Ever scheming, he plots his return to power and the destruction of his enemies, an architect of fate and master of the warp.

A new interpretation of Ahriman

By Thomas Lau

John French definitely outdid himself in this new reinterpretation of Ahriman. I say this because prior to this he literally was too obsessed with only getting to the Black Library. In that regard he always came over as too focused and obsessed. The few books where he did make appearances he literally acted like a drug addict searching for his fix.

In this book, Ahriman Exile, we finally do get to see the underlying motivations for the character, actions and consequences, as well as the outside influences that shaped him. A definite read for Chaos / renegade fans that don't want simple mindless chaos worshipers.

Not bad but...

By Duke

Ahriman has been my favorite 40k character since the 2nd edition (yes, I've been hooked on 40k since the 90s!). As you can imagine, after reading the Horus Heresy novel A Thousand Sons, my interest in my favorite character (and legion) spiked back to an all time high. While I had pretty much restricted myself to only reading novels out of the Heresy, I decided to give this one a try simply because of my interest in Ahriman. Truthfully, I was sort of disappointed. Its not that French was a terrible writer but his depiction of Ahriman seemed somewhat out of sync with his [Ahriman's] back story. Not to spoil things too much, but I would have liked to have read more about the events (and I do mean specific events) that drove Ahriman to cast his infamous spell. I guess I was hoping/expecting this book to somewhat pick up where HH novel left off. Unfortunately, it didn't do that.

Ahriman: Exile

By James D. King

A good book but you really need to have read all of the stories that came before this one to understand the whole story line. Overall a good read but would have been better if I had read the preceeding stories before this one. Again a good read but not great.
