Sexy mean jocks that aren't one-dimensional...

By DeeGee

Carver hits another one out of the park. His stories always offer a little something for all - pure domination in one scene, ambivalence and doubt in another. Sexy, compelling characters, mean dominant jocks who are not just one-dimensional... what's not to love

Great book. Love the theme of straight dominant alpha ...

By Matevam@yahoo

Great book. Love the theme of straight dominant alpha top kind of stories. I would have given 5 stars if the ending did not have the surprising turn. Yes i do like the characters to fall in love and not be a total dick. But i like the alpha top to be total alpha top. Will definitely read a few more of this author's book.

love his books

By Sabine

Always a bit sick, sometimes revolting, but I guess I'm like the hero, I just love reading about it. This is one of a few, where I totally loved the end, too.
