Caged Wolf (Tarot Witches Book 1) By SM Reine. The established technology, nowadays assist everything the human demands. It includes the daily tasks, tasks, office, entertainment, and also a lot more. Among them is the fantastic website connection as well as computer system. This problem will reduce you to assist among your pastimes, checking out practice. So, do you have ready to read this book Caged Wolf (Tarot Witches Book 1) By SM Reine now?

Reviewing routine will consistently lead people not to satisfied reading *Caged Wolf (Tarot Witches Book 1) By SM Reine*, a book, 10 book, hundreds books, as well as more. One that will make them really feel completely satisfied is completing reading this publication Caged Wolf (Tarot Witches Book 1) By SM Reine as well as obtaining the notification of the books, after that finding the various other next publication to check out. It proceeds a growing number of. The time to finish checking out a publication Caged Wolf (Tarot Witches Book 1) By SM Reine will certainly be consistently different depending on spar time to spend; one example is this [Caged Wolf \(Tarot Witches Book 1\) By SM Reine](#)

Now, how do you understand where to purchase this publication Caged Wolf (Tarot Witches Book 1) By SM Reine Never mind, now you might not visit guide establishment under the intense sunlight or night to search the e-book Caged Wolf (Tarot Witches Book 1) By SM Reine We below constantly assist you to discover hundreds kinds of e-book. One of them is this publication qualified Caged Wolf (Tarot Witches Book 1) By SM Reine You may go to the web link page provided in this set as well as then go with downloading and install. It will certainly not take even more times. Merely link to your web accessibility and you can access guide Caged Wolf (Tarot Witches Book 1) By SM Reine online. Of course, after downloading Caged Wolf (Tarot Witches Book 1) By SM Reine, you might not print it.

CAGED WOLF (TAROT WITCHES BOOK 1) BY SM REINE PDF

The biker gangs passing through Lobo Norte don't scare Ofelia anymore. All those men are the same: scarred, homeless, and broken...just like Ofelia. They've become a blur of forgettable faces watching her strip. She takes off her clothes, takes their money, and wipes them from her memory instantly.

But Trouble is different. A biker with a wolf tattoo and tortured eyes, he sees beyond Ofelia's tough disguise to a more fragile woman within. She's drawn to him like she's never been drawn to a man before—at least, not since she survived hideous torture at the hands of her ex-boyfriend that left her scarred physically and emotionally. She can't forget Trouble. And she definitely can't push him away.

There's magic between them that neither understands. But maybe if Ofelia and Trouble can find the truth, they can release each other from the chains that bind them to Lobo Norte, to the Fang Brothers biker gang, and to the dark secrets in their pasts...

Flawed early effort from a now-respectable author

By Shirley U Jest

*****SPOILER-ISH REMARKS AHEAD*****

Caged Wolf is too raunchy to be a romance, not sexy enough to be porn, and too disjointed to make any sense. The story features a heroine I genuinely disliked. For instance, this woman is hurt and angry that she doesn't GET TO work in a nearby brothel, so she ONLY gets to strip and pole dance for tips, which she willingly does even though it isn't her job (she was hired to tend bar). She admits she's been a prostitute and a drug addict and has slept with a thousand men, some of whom her ex pimped her out to. Why then are we supposed to care that more men want to exploit her, including her ex? You either think that kind of lifestyle is terrible or you don't. You either want to be a ho or you don't.

Add to that a bizarre case of instantaneous lust/love (that's never explained beyond "you smell good"), a lot of smoldering looks, painfully stilted dialog, awful, arbitrary sex scenes and a lot of really strange choices by the main characters (such as both owners having to leave for days to get a generator fixed when they knew a dangerous and unpredictable biker gang was in town?), some stock werewolf info (wolves are territorial, wolves have a hierarchy, it hurts to shift forms) and it all adds up to a rather tedious unattractive, heaving mess of a story.

This author subsequently honed her skills and became a much, much better writer than this. I honestly can't recommend such a poorly thought out and executed book as this to any but the author's most die hard fans. And even then, you've been warned.

The book shows promise but wasn't a favorite of mine

By Elizabeth H.

Well, this was a very interesting book. The story was confusing at times and I wasn't sure where the story was heading. There is also a lot of violence against men and women in the book that might make some readers uncomfortable with. I apologize in advance if this review sounds a little disjointed, the story left me feeling the same way.

During the book, Ofelia has scenes where she practices magic/witchcraft/spells and talks about learning them from her grandmother when she was little. The storyline is unclear about how Ofelia ended up in Lobo Norte and there is a mystery around what type of creature she is.

What's also unclear is the mystery surrounding "The Devil" Tarot card Ofelia received in the mail and that's somehow tied into a crossroads. She and Trouble solve the card but then decide to go on a search for the rest of the cards in the Tarot deck. I'm still unsure why they are doing this; it could be because there was a cryptic note written to Ofelia about looking forward to meeting her, but the story doesn't connect the two at the end of the book. Many of the other scenes in the book felt awkward or out of place as well in the story.

The story shows great promise but there are a lot of plot points that aren't connected or are simply absent from the story. I think if those were ironed out, it could be a solid paranormal read. But as it currently stands, while the story is enjoyable, it's a difficult storyline to follow.

I was gifted an eBook copy from the publisher via Net Galley in exchange for an honest review. All conclusions reached are my own

5 of 5 people found the following review helpful.

This read has little direction and lacks background for a new reader of this author's writing.

By Kindle Customer

I've read all other books on the author's site and this was very disappointing after all those good reads. This book drags at first, the only reason I could keep up with some chapters was my previous readings from other story lines and previous characters. Without that I would have not finished the book. This book starts to couple characters, that in previous books would seem unlikely. It also includes abusive man/woman/animal sex that was not in any previous reads. I'm not sure where the author is going with these carnal/sexual characters but it definitely does not improve the characters likeability or character purpose in the book. I'm hoping this series will be redeemed with better writing as seen in other series instead of smut writing.
