The factor of why you could get and get this *Coming Home By Rosamunde Pilcher* sooner is that this is the book in soft data type. You could review guides *Coming Home By Rosamunde Pilcher* anywhere you want also you are in the bus, office, house, and various other areas. However, you may not should move or bring guide *Coming Home By Rosamunde Pilcher* print any place you go. So, you will not have much heavier bag to lug. This is why your option making far better principle of reading *Coming Home By Rosamunde Pilcher* is really useful from this instance.

From Publishers Weekly

Set around the time of WW II, Pilcher's tale of youthful friendship and romance spent 16 weeks on PW's bestseller list.

Copyright 1996 Reed Business Information, Inc.

From Booklist

Pilcher's novel is big, both in size and scope. Yet its charm is in its details. The book's heroine is Judith Dunbar, who is a schoolgirl of 13 when the tale begins in 1935. Sent to boarding school in Cornwall because her parents are posted to Singapore, Judith becomes friends with Loveday Carey-Lewis, who introduces her to a family and an estate, Nancherrow, that is to influence her for the rest of her life. Pilcher does a marvelous job of describing life in England before World War II. Readers, especially Anglophiles, will adore the care Pilcher gives to setting her scenes, decorating them with everything from Cornish wildflowers to china dogs to particular tartan plaids. The same care is evident later in the tale, as Pilcher chronicles the changes brought by the war to the fabric of British life. There is, of course, more to the novel than a carefully rendered historical backdrop. There is a story, too, and a quite involving one even if its outlines are familiar from other melodramas set against the dramatic events of history. As Judith makes her way to adulthood in the midst of great wealth, great tragedy, and, naturally, romance, Pilcher effectively balances the demands of plot with the pleasures of revisiting a different place and time. Fans of the author's previous books, such as *September* (1990), will know what they're getting into and willingly plunge in headfirst. A Literary Guild main selection and an 850,000 first printing indicate supreme confidence on the publisher's part. Ilene Cooper

Review

"Rosamunde Pilcher's most satisfying story since *The Shell Seekers*." ?Chicago Tribune

"Captivating...The best sort of book to come home to...Readers will undoubtedly hope Pilcher comes home to the typewriter again soon." ?New York Daily News

"Pure, old-fashioned pleasure. I loved every minute of it." ?Cosmopolitan

Additionally this *Coming Home By Rosamunde Pilcher*, you will certainly have no regret to get it.

To obtain this book *Coming Home By Rosamunde Pilcher*, you may not be so confused. This is on-line book *Coming Home By Rosamunde Pilcher* that can be taken its soft file. It is different with the online book *Coming Home By Rosamunde Pilcher* where you can purchase a book and afterwards the vendor will send out the printed book for you. This is the area where you can get this *Coming Home By Rosamunde Pilcher* by online and after having take care of purchasing, you can download and install [Coming Home By Rosamunde Pilcher](#) alone.

COMING HOME BY ROSAMUNDE PILCHER PDF

Against the backdrop of an elegant Cornwall mansion before World War II and a vast continent-spanning canvas during the turbulent war years, this involving story tells of an extraordinary young woman's coming of age, coming to grips with love and sadness, and in every sense of the term, coming home...

In 1935, Judith Dunbar is left behind at a British boarding school when her mother and baby sister go off to join her father in Singapore. At Saint Ursula's, her friendship with Loveday Carey-Lewis sweeps her into the privileged, madcap world of the British aristocracy, teaching her about values, friendship, and wealth. But it will be the drama of war, as it wrenches Judith from those she cares about most, that will teach her about courage...and about love.

Teeming with marvelous, memorable characters in a novel that is a true masterpiece, Rosamunde Pilcher's *Coming Home* is a book to be savored, reread, and cherished forever.

This book started out so great, I was sure it would be a five-star

By Amazon Customer

This book started out so great, I was sure it would be a five-star. By the time I got half way though, however, I began skipping much of the fluff ... way more descriptive verbiage than necessary. Toward the end, I was just wishing it would get over already. And then wrapping it all up at the end ... anything else I say would be a spoiler, so I'll just leave it at that.

My husband read it also. He found it interesting at first, especially from a historical view, and did find the characters worthwhile. By the end, however, his comment was, "I can't believe I read the whole thing."

What a lovely book

By Marzie

What a lovely book! One rarely gets to read a book like this today..Mostly because no one is writing them.

The characters were almost believable and all had redeeming qualities. I really found myself caring about them and worrying about what was happening.

The descriptions of Cornwall and London and the insight into the minds and moods of the people who were on the edge of unfathomable changes were compelling. For a few days I felt myself to be in the company of friends in a welcoming and interesting time and place..

It was more than just a romantic novel.

I cannot recommend it more.

it's one of the best I have ever read

By caitsmimi

Although not a new book, it's one of the best I have ever read. Characters are well developed, story line and plot keep you guessing, love the pre and post WWII era and the Scottish / English influence. Takes you back to a simpler place and time...and yet, nothing about this story is simple. Fall in love with the characters, the Cornish countryside, and the bustling city life of London. Rosamunde Pilcher is a masterful author. All of her books that I have read thus far are amazing. You won't be disappointed!
