A Roman Catholic priest struggles to remain committed to his vows, live authentically as a gay person and find intimacy. His social activism throws him into doubt about dogma and, after 30 years of church leadership, inspires a leap beyond the bounds of conventional religion and into the passionate embrace of a bigger God. This deeply personal story invites readers - spiritual seekers as well as those alienated from religion - into a sacred space to explore their own journeys and make sense of the human longing to trust in something beyond the self.

Something for Everyone

By Robert Nugent

Readers of this work will each discover and even identify with something that touches them more personally: "the good, little Catholic boy," the priest who struggles with accepting his sexual identity in the face of traditional negative evaluations by both religion and society, the gay man who embraces monogamy, the believer whose object of belief moves from the more traditional to the more ordinary and basic experiences

of human life where transcendence is often located. Readers will be challenged to re-think their sometimes uncriticized positions, affirmed in trusting more in their spiritual insights and at least hearing a most unusual story of one person's search for healing and wholeness.

Robert Nugent is the author of *THOMAS MERTON AND SISTER THERESE LENTFOEHR: THE STORY OF A FRIENDSHIP*, Alba House, 2012.

Triumph of the Human Spirit

By Sister Jeannine Gramick SL

Through little cameos in prose and poetry, Monette's faith journey shows the triumph of the human spirit over religious messages to suppress sexuality. This is a story of self-discovery and self-acceptance that brings about freedom for a more authentic God-relationship.

Raw Truth and Gut-Retching Honesty!

By Judy Krings, Ph.D., CMC, PCC

This book is a "Wow!" power house of soul-searching, mind-bending metaphors delivering a heartfelt message the world needs to hear.

Ever wonder what it was like to be a good man with "gay priest" tattooed onto his psyche? To be surrounded by the "shouldisms" and "ought not to's" of the Catholic Church machine? Worse yet, the prospect of going to Hell ever-looming on your near horizon? Welcome to Father Maurice's world.

Yes, "Confessions of a Gay Married Priest" gifts you with accompanying Maurice on his fascinating journey. But his message on every page is far more than that. Maurice's themes are universal. Virtues, values, meaning, and facing his hard-fought reality: LOVE. How he got past the dark recesses of childhood rejection and bucked authority to reach for the stars. Intimacy, to be exact. Not just sex, though his candor along those lines is poignant and sweet. It was a joy to read how he faced his own love truths head on. How he answered the question, "Am I worthy?" will stop you dead in your tracks. You will want to re-read some of his magic moment insights. If you are like me, you will write them down.

Maurice got it right. He looked into the mirror and courageously faced his identity. His life. His love. Raw truth and gut-retching honesty.

This is a book to savor. Don't rush through it, even though the chapters are short and sweet. They are filled with "stop dead in your tracks" transformational wisdom and learning.

This mesmerizing book is for you no matter what your sexual proclivity. If you want to discover what true love is and how to get it, you will discover your road map to happiness here. Hint, to use Maurice's words, "Like trapeze artists, we leapt."

I highly recommend this remarkably truthful book for folks who are struggling for love or know someone who is. And for all of you curious about a priest who struggled with and ultimately achieved his divine personal positivity. Your eyebrows will be raised! So will your spirit. An A+ read!
