# CONVERSACIONES ESCRITAS: LECTURA Y REDACCION EN CONTEXTO, 1ST EDITION BY KIM POTOWSKI PDF

In its first edition, *Conversaciones escritas* offers a fresh approach to writing for both second language learners and heritage speakers. An engaging text, organized into thematic chapters dealing with current events, this book will simultaneously promote reading skills while showing examples of good writing. Drawing from best practices in native English language arts composition, second language writing, and heritage speaker pedagogy, the text offers a complete program that develops Spanish language proficiency, general academic writing, and knowledge of contemporary social issues. Student assessment questions, based on the readings, will provoke further thought while writing activities, based on the essays, will help the reader to write in Spanish as they take a stand on an issue.

Good book but how did it get so expensive.

By Jose

Although some of the topics and the content is a bit outdated, it does a decent job of connecting the grammar part of the course with its cultural context. The author obviously spent quite of bit of time on the topics discussed.

I bought the book two semester ago and everywhere it was at half the price. i dont see why the author needed to jack up the price on us students. At \$50 it is a good book but at \$115+ it is too expensive. Where is my \$65 going to? Books don't fluctuate that much on price at least not on the same edition. I dont know i just feel value isn't there for the price.

Rent Me.

By Daniella

Definitely RENT this book. it is too expensive for what its worth. it has great articles to read and study off of it which i used in class. Overall Its excellent for practicing spanish.
