FREEDOM BY ANGELA DORSEY PDF

Jani freaks when her parents tell her they are moving to the country, away from the home she loves, the friends she's had since kindergarten, and all the horses at the riding stable. Her only consolation is that she can bring Keeta, her beautiful pinto mare, with her. But adventures await. While cleaning out the barn on their new property, Jani sees a swirl of movement beside the black, twisted stone in the corner. The barn is haunted! With the help of a new friend, Jani sets out to solve the mystery behind the wild, angry spirit and set it free.

I Read This Back in The Pony Club Days..

By Misty-Day Samples

I was one of those girls who, when I was younger, was absolutely obsessed with horses so my mom signed me up to "The Pony Club" which honestly was one of the coolest things ever and still, in my adult mind, is. I also remember this book, because it was one of my favorites. I even had duplicates and when I managed to lose my one copy after giving my friend the other copy, my mom even had to buy it for me again.

This book, relying only on memory (trust me, I'm probably missing out on a lot of the story) is about a young girl who's family move away to a new place. She hates it, she's away from her friends and her school and is angry in a way only a young girl can be. Then she discovers the barn and in the barn, shed, whatever you want to call it, there's the angry ghost of a horse had been wild, but had been badly misabused, to the point of the horse dying in the shed. After discovering this, the girl decides to help the horse become free and wild again. It's a touching story and one of my favorites and I am totally buying it. On a level of how worth it the price is for this book for me is a 10 on a scale of 1 to 10.

Buy it, you won't regret it! It's amazing!

Fan Of Angela Dorsey

By Elmallah Kuluazeem

I've been a fan of Angela Dorsey since I was younger and joined the Pony Club and read Freedom's Whisper. I'd always wanted to read about Freedom's beginning and alas I have :)
