HOOFBEAT BY BOB STEIN PDF

When a chance encounter with an old flame turns ugly, Police Officer Charlie Sutter responds to an insult with one of his own. However, he is the only human at the Black Unicorn Bar and the new boyfriend is a powerful mage with an attitude. That bitter retort costs Charlie everything that makes him human, and if the mage has his way, that's the way things will stay. But the border between magic and technology is ever-changing, and sometimes consequences take a long time to resolve.

Hoofbeat is suspenseful and offbeat.

By Solon Economou

If you like horses and people, or horses or people, or horse/people, this is a good short read. Offbeat. Or was that Hoofbeat?

0 of 0 people found the following review helpful.

A simple story for a short winter evening

By Thar

I've read a few stories written by mr. Stein and I must say that, for a book, it's not any worse nor is it any better than his previous works. It's quite a straightforward story, not much depth, not much character creation, just plain transformation surrounded by a simple introduction and ending.

I do hope that next time you'll end up issuing your own book you'll give it some more content, some more background to the characters and attention to the worldbuilding or at least make in a bit longer.

Four stars because, although the story was not very inspiring, it's a good start to professional writing.

Cheers.

Worthy transformation tale

By Kindle Customer

This is the first short story in Kindle book form that I read. It works better than one might think. A policeman ends up paying a heavy price for being in the wrong place with the wrong people.
