# HOW THE KINGDOM WITHIN YOU BECOMES THE VOICE OF YAHVEH BY JOVON LATELY PDF

This very important work is the first book written by Jovon Lately; he has been given new spiritual eyes and the ability to take us out of this mundane consciousness that lingers over us like a shadow or fog, blocking our true purpose and mission. One who can use the 'Watchful Eye' also has an 'Obeying Ear' and is enabled to see and hear the Holy Spirit speaking from within your mind and without your intellect. The Kingdom is spread out upon the earth, and it is also within us, if we are able to persevere and awaken our divine eyes and listen with open ears. This creates in us a servant of truth who can stay in motion in the Galilee state of activity which is a 'standing while moving' event. Paul referred to this as 'dying and rising daily' - this 'Standing while Moving' is the ability to be in the Kingdom while living your daily physical life in the earth, thereby joining the two realms together, when you are able to do this your tribulations and sufferings become springboards to catapult us into higher levels of faith and understanding during the terrifying situations we encounter in the world today. For you can personally know and be known by the 'One to Lean On' (our Messiah) to see what is ruling over us from the inside so that we can truly answer the Father when he says: "Adam Where Are You?" We will be able to finally say again: "Where you are!"

I enjoyed reading about the ideas presented in this book

By Creative Light

During these turbulent times, it is important that we allow ourselves to be open-minded to ideas, actively pursue the truth, and allow the holy spirit to provide us with the understanding, guidance and wisdom to withstand evil. I allowed the holy spirit to guide me while I read this book. I enjoyed reading about the ideas presented in this book, particularly about the reality of Satan and how to protect ourselves from the adversary. Without knowledge of the ideas presented in this book, it seems as if we are really leaving ourselves vulnerable for the adversary to slaughter us. After reading this book, I have taken a more active stance in daily prayer and Biblical study for my protection. I cannot wait to read the books he suggested at the end of his book. This is a good book and a must read!

Yahveh teaches

By Amazon Customer

This is by far the most important book a person should read when they have completely given themselves to Yahveh. As you read you can see the divine spirit that is working through Mr. Lately as he writes. This book teaches you the truth behind everything of this world. The writer explains in detail how to overcome all obstacles using the weapons of Yahveh. How the kingdom within you has brought understanding to spritual concepts that I was not able to articulate to anyone. This book will give you guidance to the true teachings of the basic instructions before leaving earth. I can't wait to read his next book!
