## Review

"Few other sociologists have addressed the question of the postmodern with the breadth of imagination and vision that Bauman can muster. This book steers a careful course between the twin excesses of instant dismissal postmodernism as something to be "against" and thoughtless adoption postmodernism as something to be "celebrated." It is a fine book which exemplifies Bauman at his brilliant best."

-Barry Smart, Auckland University

## About the Author

Zygmunt Bauman is Professor of Sociology at the University of Leeds. He is the author of many books, including *Modernity and the Holocaust*, 1989 winner of the European Amalfi prize.
