Wonderful!

Ken Wapnick is one of the most respected teachers of ACIM. This audio program is a great way to understand ACIM in greater depth. Mr. Wapnick does a great job of clarifying the Course, and in this set he really helped me understand some issues about the Course I'd been struggling with. His approach is easy to understand, sensible, funny, compassionate, and I'd recommend this set to any ACIM student out there.

I also highly recommend Gary Renard's books and audios - also very helpful for students of the Course.
