MONTESQUIEU: SELECTED POLITICAL WRITINGS (HACKETT CLASSICS) BY CHARLES DE SECONDAT (BARON DE MONTESQUIEU) PDF

Yeah, reviewing a book **Montesquieu: Selected Political Writings (Hackett Classics) By Charles De Secondat (baron De Montesquieu)** can include your friends checklists. This is just one of the formulas for you to be effective. As recognized, success does not suggest that you have great things. Comprehending as well as understanding even more than other will certainly give each success. Beside, the notification and impression of this Montesquieu: Selected Political Writings (Hackett Classics) By Charles De Secondat (baron De Montesquieu) could be taken and chosen to act.

Review

Professor Richter has long been one of our most knowledgeable commentators on the French intellectual tradition. Having written on Montesquieu, Tocqueville, and Durkheim, he is well positioned to provide us not only with an historically informed translation of Montesquieu's major writings, but also with an excellent introduction to what is important about Montesquieu as a thinker. --Lawrence Dickey, University of Wisconsin

I am delighted that you are getting out a new edition of Melvin Richter's translation. Again and again when I have had occasion to give serious attention to Montesquieu, I have turned to this work. --Samuel H. Beer, Harvard University

Richter has done us a real service by providing a version that is both scholarly and handy for teaching. The translation is generally sound, often clearer and more readable than the older version. There is a useful introduction and a helpful and reliable set of notes. . . . Richter's version will now become the standard version for many of us. --Nannerl O. Keohane, Political Science Review VI (1976)

MONTESQUIEU: SELECTED POLITICAL WRITINGS (HACKETT CLASSICS) BY CHARLES DE SECONDAT (BARON DE MONTESQUIEU) PDF

The essential political writings of Montesquieu--a substantial abridgment of *The Spirit of the Laws*, plus judicious selections from *The Persian Letters* and *Considerations of the Romans' Greatness and Decline*--are masterfully translated by Melvin Richter. Prefaced by a new fifty-page introduction by Richter for this revised edition, *The Selected Political Writings* displays the genius and virtuosity of Montesquieu the philosopher, social critic, political theorist, and literary stylist, whose work commands the attention of all students of the Enlightenment and of modern constitutional thought.

Some of the most renowned political philosophy ever--so why does it seem so dull?

By 3rd Day Believer

As a teen, I read a lot of Montesquieu in French. I loved his style and his clarity. What's amazing is how boring this book seems in English. Is it the translation? Brief as this is, I found it very difficult slogging--and I'm a big reader of Hegel etc. Strangely dull.

1 of 1 people found the following review helpful.

Great Introduction

By Edward J. Barton

Montesquieu was one of the great influences on Madison, Locke and others that developed the governmental approach in the United States. This book has translations of excerpts from three of his works - "Persian Letters", "Considerations on the Causes of the Roman's Greatness and Decline", and his magnum opus, "The Spirit of Laws." The latter, in particular, discusses such areas of governance as the bicameral legislature, the triune structure of executive, legislative and legal branches of government, slavery, religion and the roles each plays in a republic, a monarchy and a tyranny.

Eminently readable and expertly translated with a great introduction and biography by Melvin Richter, the book will provide the curious reader with a great introduction to Montesquieu and the political thoughts he espoused.
