MY STAR, MY LOVE: AN EVERSEA CHRISTMAS (THE BUTLER COVE SERIES BOOK 3) BY NATASHA BOYD PDF

In this sexy novella movie star, Jack Eversea, has decided to brave his history with England and take the love of his life, Keri Ann Butler, home to meet his mother for Christmas.

But Jolly Old England does weird things to Jack. And despite his super sweet “twelve days of Christmas” gift-giving, Keri Ann can’t quite work out if he’s about to propose or regrets bringing her home. Is he still questioning whether she can handle a few paparazzi, or is he doubting Keri Ann’s commitment to their future?

The magnetic couple is back in a fun, sometimes poignant, but super sexy story about acceptance, building a future, and how to make love quietly in a creaky old house with one’s mother down the hall.

This is an Eversea series extension and Book 3 in The Butler Cove Series. It is highly recommended that it is read after Eversea and Forever, Jack.

...the perfect EVERSEA Holiday Novella!!!

By Bianca @BJsBB

Jack and Keri Ann have been together for a while now, but they haven't seen each other for over two weeks. Jack had business in Los Angeles and Keri Ann was busy with school.

But now they're back together - on their way to England, to spend a few weeks celebrating the holidays with Jack's mom.

But something seems to trouble Jack. Is it the fact that he's back in England? Is he not so sure about their relationship anymore???

Read it to find out ?

.....

I absolutely LOVED this little novella!

How can anything be better than Jack Eversea smelling like cinnamon and pinetrees???

The whole atmosphere was so adorably romantic and christmassy.

And Christmas didn't stop this story from being incredibly sexy too!!

I loved the presents Jack had for Keri Ann....little surprises every day.

We had funny moments, cute moments, very moving moments...

I might have cried a little here and there...or rather, everywhere ?

This was the perfect holiday novella about our darlings Jack and Keri Ann and there's LOTS of room for MANY more novellas in the future ???
(just my humble opinion ?)

I LOVED IT!!!!

I loved this novella!

By Hanne

I loved this novella! This is a continuation of the love story between the small town waitress Keri Ann Butler and the famous movie star Jack Eversea. Their lives have changed a lot since they met each other, but they love each other very much. After being apart for several weeks, they finally see each other again to celebrate Christmas in England. Jack may have had doubts at the beginning, but their relationship is even stronger at the end. Being famous isn't easy and Keri Ann hates that part of his life, but she also can't be without him. The writing is, as always, very good. It was nice to read more about them. I also loved Max and would love to read more about him! I would have liked to read about them getting engaged or a pregnancy (so much further in their future than what we read), but maybe there will be another novella about them? I do hope so!

I loved reading My Star, My Love by Natasha Boyd. It was a great story of love and doing anything for someone you love. Jack and Keri Ann travel to meet his mother in England. The couple go through s many things due to his being a movie star. I loved reading about their love and what they would do for each other. This was a great read that I whole heartedly recommend.
