OLD LANDMARKISM: WHAT IS IT? BY J. R. GRAVES PDF

My thoughts were first awakened to the subject discussed in this little book in 1832, upon witnessing the immersion of my mother and sister by a Pedobaptist minister, and the plunging of another subject face forward as he knelt in the water, and the pouring water upon another while kneeling in the water, the sprinkling it upon another in the same position, and the sprinkling upon several others while standing on the banks of the stream, and yet others out of a pitcher in the meeting-house. Those different acts for "one baptism" made an indelible impression, and the more so because the administrator seemed to be in ill humor when he immersed, and dipped his hand in water and laid it upon the heads of the candidates he immersed while he repeated the formula! The questions started were: "If he did not believe in immersion, was the act at his hands valid? If 'what is not of faith is sin,' could his sin be an act acceptable to God?"

Important historical Baptist read

By B. Farnsworth

While I don't necessarily see some of the things in this book the same way J. R. Graves does, this book gives a tremendous insight into a very passionate servant of God who was concerned that Christianity was losing its way. Some will call the book narrow-minded, but it would be well to remember that God tends to be pretty narrow-minded. This gives us a glimpse into the reasons behind Landmarkism, and into the lives of those who used their influence to restore Baptist (and Bible) doctrine. I would highly recommend this book, and I would encourage the reader to read through it more than once, because it takes a while for the argumental logic to kick in.
