Great shipping time

By Mel

Great shipping time and just as expected. The content is a bit dry in the book, I couldn't get past the first few pages. Sitting in my bookshelf.

0 of 1 people found the following review helpful.

Great!

By USER

Awesome, great, and complete book for RFID design! This book is great for introductory level material. It is also a great reference book for the experienced designer.

0 of 3 people found the following review helpful.

but the buy-back was like only 10% of the cost

By Ebonyinja

It was O.K. but the buy-back was like only 10% of the cost.
