This is one of the best drug handbooks I've owned

By RachiePants

This is one of the best drug handbooks I've owned! I love it, it's informative and it's easy to look up the drugs, side effects, and nursing considerations. This book is phenomenal and I would recommend it to everyone!

0 of 0 people found the following review helpful.

Lots of useful information and extremely easy to navigate this text

By K L McDonald

Lots of useful information and extremely easy to navigate this text. Has all the required information I need. Only 4 stars because I haven't completely used all the material yet.

Difficult to Use

By Christie

Difficult to use, hard to find drugs by either generic or brand name.
