SIDE CHICK CATCHING MAIN CHICK FEELINGS BY B.M. HARDIN PDF

Is being a side chick really all that bad?

To Moet Monique Murray...it absolutely was!

Moet loved Drake more than anything in the world and though he owed her his life, she still had to come second place to his wife.

All caught up in her feelings for him, Moet was willing to do anything to make Drake love her the way that she loved him, but nothing ever seemed to work and nothing she tried ever seemed to be good enough.

What's a side chick to do once she start catching feelings?

Should she stay?

Or would it would be best at that point to just walk away?

Moet had to make a choice.

Though her feelings for Drake, aka Dray were stronger than ever, Moet or better known as Moe, knew that she couldn't be his side chick forever.

So she started looking in another direction.

But when what she thought was the best decision of her life actually turns out to be the worst, now her heart wasn't the only thing on the line.

Her life was too.

Just because it glitters that doesn't mean that it's gold and Moe finds herself caught up in a love and war situation.

Everything that she had worked for was about to be destroyed unless she agreed to do one thing.

And that was to become someone else's side chick once again.

But being the other woman wasn't all that it was made out to be and Moe knew that the only way out of a terrible situation was to eliminate the problem with a terrible solution.

Death.

With twists and turns, secrets and lies, Moe learns why side chicks should never catch main chick feelings. Its much easier to just play their part on the side.

Need Part 2 ASAP!....

By Shatisha N

“Side Chick Catching Main Chick Feelings” by B.M. Hardin is more of an urban storyline that I have read written by her. She proves that despite this being out the normal for her that she is still able to captivate you with her words. I love an author that can challenge themselves and steps outside their comfort zone. It shows a level of understanding that you can't get too complacent with only writing one style only. This book had

minimal spelling/grammar issues (I'm no editor) that I did see but was not a complete distraction. It shows that you take value in what you put out/ present to your reading audience.

Moet: I can't even fathom where to begin when discussing her. I don't even know if I should be mad at her or just feel sad for her. Honestly, there is no amount of love worth all of that to go through pure nonsense. However, there are people that deal with/ tolerate worse in real life ... So I guess you can never say never on what you will and will not do if faced with the same situations...

Drake: has the typical I can do "Me" but you better not do what I do mentality. At first you want to be upset but technically you couldn't but so much. People will treat you how you allow them too and to test how far they can go. They will put you in situations that have you questioning yourself yet you don't walk away. Such as in this case, it gives the impression that you are "ok" with it. I can't wait to see how he truly reacts when everything comes to the light...

This book has so many twists and turns, and unexpected connections that you have to pay attention or you will miss something. This book had me on edge trying to figure out what was going to happen next, and I was so happy that it was not predictable that it would end the way that it did. I am looking forward and excited about Part 2 ... Need that like Yesterday ASAP!

nahhhhhh

By becca

I couldn't get into this book for NOTHING!! It was just too boring. It was long...drawn out... And unbelievable. I CANT read part 2. Hardin is a great author, but this book wasn't good

Not your typical "side chick" tale...

By Fancy

Six degrees of separation is real. This isn't the typical story of a side chick. Moët gave her all to Drake and takes being loyal to a new level. We all know every woman has a breaking point but hers seemed far away as she put up with being his "side chick" for quite sometime due to their long history that dates back to childhood. Just as things begin to look up, the author throws a huge plot twist into the mix. This was a very entertaining read that will surely have the reader moving quickly to part II.

(There were some noticeable editing issues.)
