Es una recopilación de artículos periodísticos. No diría que es una novela. Aparte, pone diálogos poco creíbles en boca de los personajes que intervienen. No hice una buena compra con este libro

No vale la pena

By Daniel Brown

Este es un libro escrito a las apuradas, con derroche de faltas ortográficas, de acentuación y de puntuación. Más allá de eso, el autor recurrió al fácil recurso de copiar y republicar artículos y discursos disponibles en Internet. En resumen: plata mal gastada y tiempo perdido.

Valiente Documento

By Marcelo H.L.

Valiente documento sobre el asesinato del Fiscal Alberto Nisman y la investigación acerca de la presunta

alianza de la presidente Cristina Fernández de Kirchner con el régimen iraní. Un magnicidio brutal que enluta a la Justicia argentina y la democracia.
