From the Back Cover

From Deepak Chopra comes a spiritual adventure story about Christ's forgotten disciple, an ancient mystery school, and the timeless power of faith.

Before suddenly disappearing from her cloister, Sister Margaret Thomas McGeary leaves behind a solid gold reliquary, which her niece Mare dis-covers tucked away among Sister Margaret's belongings. "This is from the thirteenth disciple," a handwritten note says, "follow it where it leads," setting into motion a millennia-old mystery about the final—and truest—disciple of Christ. As Mare searches for her lost aunt, she begins to realize that the reliquary contains a secret that could very well change the history of Christianity and forever

redefine what it means to be a person of faith.

Joining Mare in her quest is a ragtag and reluctant group of sinners and skeptics—Frank, a journalist eager to break the story; Lilith, an eccentric mother of two who knows more than she's letting on; Galen, a misanthrope with a hidden past; and Jimmy, a hospital orderly whose faith sustains him even in the darkest hours. Together, they try to make sense of the reliquary and its mysterious contents. But are they ready for what they learn about the reliquary—or themselves?

Weaving together masterful storytelling, page-turning intrigue, and biblical and religious scholarship, Deepak Chopra reveals illuminating truths about Jesus, his followers, and, ultimately, belief itself. Like his previous New York Times bestselling novels *Buddha* and *Jesus, The 13th Disciple* invites readers to know and experience religion in a new and breathtaking way.

THE 13TH DISCIPLE: A SPIRITUAL ADVENTURE BY DEEPAK CHOPRA PDF

The New York Times bestselling author of *Buddha* and *Jesus* weaves together historical narrative, mystery, exciting adventure, and intrigue in this masterfully told novel that reveals surprising discoveries about the unknown last disciple of Christ, and a new understanding of who Jesus was in his final days.

When a solid gold reliquary missing from a church in Belgium suddenly resurfaces in America, a young newspaperman begins to investigate the story. At first, it seems like just another case of a treasure stolen during World War II that has resurfaced. But it soon becomes apparent that much more is at stake.

Hidden within the medieval reliquary is a gold box that holds a sacred relic—a single finger bone—from an anonymous saint. Why would the remains of someone unknown to the Church be considered holy? The search for answers leads to a shocking discovery—a dangerous secret known only to a small band of people. If one touches the reliquary, a sacred vision is received—a vision involving a young girl who had a chance encounter with Jesus just before he was crucified.

The few people who have been blessed with these miraculous messages have banded together into a mysterious school, a closed society that preserves this venerated wisdom. But their knowledge of the young girl and Jesus is at once so fascinating yet so highly controversial that it cannot be shared with the world.

This young girl, curious about the charismatic man named Jesus, embarks on a quest to find out who he really was. What she finds—the knowledge the society protects—is at times far different from the accepted gospels. Could this unknown girl be the 13th Disciple—the last and truest apostle of Christ?

A brilliant novel of psycho spiritual drama and revelation

By Elan Sun Star

The 13th Disciple is a brilliant novel in the mature style of an ever evolving Deepak Chopra.

This book is a psycho-spiritual revelation of contemporary insights into ancient truths, specifically the "Mystery School", a theme which has been repeated through history in many cultures and civilizations.

This book is rich in deeply meaningful wisdom woven into a modern tale of layered dynamics and a wealth

of colorful metaphors and analogies that return the reader/listener to the "state of grace" worthy of a spiritual classic

The characters are powerful "archetypes" of human nature .

Each chapter is a powerful revelation of meaning composed out of a contemporary thriller drama while maintaining a developing plot full of meaning and transformational potentials.

The 13th Disciple blossoms from the profound realizations that spirituality is an inherent quality of the soul. Deepak uses a broad palette of colorful dynamics in this novel style, a literary style that Deepak has returned to over the years...

specifically to integrate the deeper qualities of philosophy and psychology and spiritual transformation
As compared to his other books this book is a tapestry of color and emotion and depth quite unique

Deepak's "always present" insight into psycho-spiritual development shines in this opus.

Read this book ..your soul will be nourished

The 13th Disciple reminds us that consciousness reflects the soul and life is nothing less than an unfolding mystery of meaningful revelations.

Another Chopra Wake Up Call

By Rachel Ray

The 13th Disciple, about a contemporary Mystery School, might be part of a genre called New Age Spiritual Mysticism. And Dr. Chopra is right to place this in his pantheon of publications because if spirituality is not connected to everyday life, it's meaningless. These contemporary fictional characters aren't psychologically deep but deep enough to carry a spiritual plot. Many readers will know actual people like Mare, Frank, Jimmy, Galen, and Lilith which is what makes the reading fun.

Perhaps more compelling to longtime Chopra readers is the book's afterword called The Mystery and You. Don't skip it because once again the light (awareness) comes shining through. You'll find out why Chopra has a special interest in writing about Christianity. It's a revelation that many of us have long shared about the teachings of Christ. I'm renewing my search for a Mystery School here in Washington, DC.

The Light of Truth.

By Rhonda Schiffler

In perfect timing Deepak Chopra presents the possibility of a Renaissance in the Contemplative Traditions through this marvellous spiritual tale.

The 13th Disciple invites us to shine the light of truth on our core assumptions. Some will go kicking and screaming in defiance but in the end "resistance is useless"!

Such an understated quote "You're someone with possibilities only you don't realize it yet", hints at our infinite potential.

In reality I suggest that great ones like Deepak Chopra and Dr B Alan Wallace form an invincible alliance to dispel the prevalent myth of scientific materialism delivering a final, mortal blow to this unsubstantiated falsehood. This would be a great blessing for the world.

I hope you enjoy the 13th Disciple as much as I did and that you too shine the light of truth in your life.
