## Review

'Barbara Miller's book, *The Endangered Sex: Neglect of Female Children in Rural India*, is one of the most powerful books I have read on the subject in recent times ... It is meticulously researched and a very readable book. There is almost no aspect of the subject that has not been covered by the author ... it is a book to be taken very seriously.' *The Book Review*, Vol.XXI Number 8

This revised edition of a book originally published in 1981 studies the power of a culture that shapes family attitudes toward children. Miller herein determines how and why the treatment of children in a certain part of Northern India is based upon their gender. The ritualistic practice of female infanticide is presented with ethnographic depth and accuracy.
