Christie surprises me again.

By Chris Coyne

I think Christie could write anything. A story about multiple personalities, this was long time before the movie with Sally Feild. Or was this a story of possession. How far will a person go to cheat death. This is one story she left unsolved.

what a treat

By Linda

I never saw the ending coming. I will not do a spoiler but it sure did not end the way I thought it would. Best \$1.08 I ever spent.
