Even the rate of a publication *The Promise: God's Purpose And Plan For When Life Hurts By Jonathan Morris* is so affordable; many individuals are truly stingy to allot their cash to purchase the books. The various other reasons are that they really feel bad and also have no time at all to go to the publication store to search the e-book *The Promise: God's Purpose And Plan For When Life Hurts By Jonathan Morris* to read. Well, this is contemporary age; numerous books can be obtained easily. As this *The Promise: God's Purpose And Plan For When Life Hurts By Jonathan Morris* as well as much more publications, they could be entered very quick methods. You will not need to go outdoors to obtain this publication *The Promise: God's Purpose And Plan For When Life Hurts By Jonathan Morris*

From Publishers Weekly

Morris, a Roman Catholic priest and Fox News analyst, draws from his religious tradition as well as his experiences in the world of media to present understandable and genuine advice for those who suffer—in other words, everyone. The promise of the title is God's promise to bring something better out of suffering. For some, this may oversimplify the matter, but for others it will provide a glimmer of hope. One of the most useful chapters addresses the various images of God that people hold—all of which are incomplete, and some of which can be seen as spiritually harmful. The author describes these images accurately, ties them in with how people who maintain those images view suffering and uses real-life examples he has encountered in his ministry. The theodicy question (why does a loving God allow suffering?) will always present a quandary to believers of all stripes. Morris is successful in making the claim that it is possible to sustain one's faith in the midst of what is sometimes a cruel world. (Apr.)

Review

“A persuasive invitation to a fuller life.” (Rev. Richard John Neuhaus, Editor in Chief, First Things)

“Father Jonathan has allowed the reader entrance into his private study where he welcomes and converses with us on a personal yet riveting journey. His spiritual insight is profound!” (Sharon Deitrick, President of The Halo Foundation)

“With true compassion Father Jonathan Morris tackles a reality we will all confront sooner or later...His specific advice shows all of us how to turn tragedy and pain into spiritual gifts that can actually heal us in unexpected ways. Here's a Promise worth keeping, and sharing with others.” (Raymond Arroyo, Author of the New York Times Bestseller, *Mother Angelica*)

“Easy to understand, with stories that everybody can identify with, *The Promise* left me with a better understanding of God's way, when life hurts. I've already given a copy to someone who is suffering a personal challenge...” (Steve Doocy, Author of *The Mr & Mrs Happy Handbook*, and host of *FOX & Friends*, FOX News Channel)

“...Pope John Paul II spoke often and eloquently about the meaning of suffering. Father Morris has written a wonderful sequel to the Holy Father’s thoughts, but from a very different perspective: that of a young priest; a man of energy, insight, world experience and engaging popular style.” (Charles J. Chaput, O.F.M. Cap., Archbishop of Denver)

“The Promise will be for the book world what The Passion was for film--a watershed moment of inspired creativity capable of transforming lives from the inside out. Don’t believe me? Ask my wife, she read it too and is already passing it on to family and friends.” (Steve McEveety, producer of Mel Gibson's "The Passion of the Christ)

“The Promise is a must read for those experiencing life’s difficult trials. Clearly, Father Jonathan is fast establishing himself as one of the most respected religious figures of our times.” (Chris Wyatt, Founder and CEO of GodTube)

Life Affirming and Life Changing!

By GlassHalfFull

'Why does God allow suffering?' - a painful question that is addressed in a compassionate, and even refreshing, way in this special book. I like to describe it as sitting down with a friend over a cup of coffee - 'The Promise' is uplifting, encouraging and resonating with hope. Although this book may be directed at those going through a crisis or a difficult life experience, I think this would be an excellent read for anyone, at any stage of life, for those who consider faith important and those who do not.

I feel this book succeeds on three levels - Father Morris does an effective job in discussing both faith and reason as it relates to loss, suffering and why there is evil in the world. He also draws upon his experiences in counseling people and visiting various global 'hot spots' as a journalist, which makes this book contemporary and intriguing from that perspective. I especially liked 'Letters from My In-Box' which are sprinkled throughout the book -- actual e-mails from readers of his column. Finally, Father Morris offers practical ideas and suggestions meant to enable you to better handle whatever life throws your way; he does this both in answering the heart-felt e-mails which he shares, but also in a special chapter at the end of the book.

I highly recommend this energetic and intelligent book; those who read it will definitely be blessed and will probably find that their faith has grown as well. It is clear through this book that this young priest has a heart for God and for others; I hope there will be more books from him.

Uplifting and truthful!

By Mike

By some odd occurrence, I happened to come across this book the day it was released here on Amazon. Based on some of his video commentaries, I went ahead and ordered the book. I simply couldn't put it down when I received it. I read it in two days. I can relate to Fr Jonathan's life examples and how there is good to be seen out of life's unfortunate situations. Well written and backed with scripture, this is a great read for anyone who wants to take an honest and open look at why life is the way it is.

Magnificent

By Rev. Dr. John Trigilio, Jr.

Father Jonathan Morris has written a superb book much along the lines of my great hero, Father Benedict Groeschel, CFR. I highly recommend this to ALL my spiritual directees, parishioners, and fans from EWTN television and radio. It is inspiring, encouraging and filled with hope while never losing focus on reality, no matter how uncomfortable or painful it may be from time to time. A classic, I am sure, years from now, when both Father Morris and I and Father Ken Brighenti are in the old priests retirement home (at least 30 years to come)
