UNDISCLOSED DESIRES (STEAMY STEPBROTHER TABOO ROMANCE) BY EVAN J. XAVIER PDF

One Hot Steamy Gay Step Romance

Two best friends escape their college dorm and head to spring break for a week of debauchery in one of the most salacious places on earth, New Orleans, looking for both the 'big' and the 'easy.'

One dark alley, a cowboy and an ex-pro NFL stepbrother take center stage.

Hot, but too brief

By Kindle Customer

The premise of this short story sounds good: Two best friends in New Orleans for spring break and a week of hot, sweaty sex. One of the two has an encounter in a dark alley; the other, a quickie with a cowboy and then a finale with a quarterback stepbrother.

While the sex scenes were hot and well-described, the stories presented lacked any sort of emotional connection for the reader to identify with the two main characters. Whether this was a result of the brevity of the work, or the author's own lack of deep interest in the characters is anybody's guess, but as a reader I got the feeling this story would have been better suited as a part of a longer story or even as a part of an interwoven collection of short stories.

While the characters may fall a little flat and the writer also misses out on telling the reader a little bit about New Orleans. The story is said to have taken place there, but really, it could have taken place anywhere.

A lot of work goes into producing quality erotica and great cover design, like this book has, doesn't come cheap (if it's hired out), so I don't fault authors who price their work accordingly. For me, however, I would prefer a little more bang for my buck.

I have two other stories by Evan J. Xavier and look forward to reading them both. Like I mentioned, the sex is hot and Xavier has the skill to keep his readers engaged. I plan to check for his new releases to see much he will grow as a writer. I look forward to one of his books earning a permanent place on my digital shelf.

What a teaser. Good read!

By BrianR716

The stories are well pieced together. Multiple characters making the story inviting and leaving you wanting

more. Waiting patiently for the next installment.
