I salute Warren Buffett

By Stephan C.

I really admire Warren Buffett on his success in life. I want to be like him in business. My friend told me about this book and I quickly get it. This book introduces to me the life of Warren Buffett. The book explained to me the value of reputation. I learned that talent is the best defense in chosen field of business. I understand what it is I am investing in. I also learned the art of probability. This information is amazing and most of them are new to me. I really admire Warren Buffett more now.

5 Stars

By C. R.

Warren Buffett once said that "the most important investment you can make is in yourself". This book is a step in the right direction as it helps readers get started on their own paths to financial success. It is well-organized, well-written, and contains a lot of useful advice. My only wish is that it were longer.

2 of 2 people found the following review helpful.

This book teaches any budding entrepreneurs many techniques they can adopt

By kirsty mcstay

Warren Buffett is an extremely powerful and respected businessman. He has been successful in many of his ventures and others had a lot to learn from this man. This book teaches any budding entrepreneurs many techniques they can adopt to improve their business such as why talent is the best defense and why patience is vital in a any successful business.
