Discovering the appropriate WIFFLE: The Wild, Zany And Sometimes Hilariously True Story Of The World Football League By Mark Speck book as the appropriate requirement is type of lucks to have. To begin your day or to finish your day at night, this WIFFLE: The Wild, Zany And Sometimes Hilariously True Story Of The World Football League By Mark Speck will appertain sufficient. You could merely search for the floor tile below and you will get guide WIFFLE: The Wild, Zany And Sometimes Hilariously True Story Of The World Football League By Mark Speck referred. It will not trouble you to reduce your important time to opt for shopping publication in store. This way, you will likewise spend cash to spend for transportation as well as various other time spent.

WIFFLE: THE WILD, ZANY AND SOMETIMES HILARIOUSLY TRUE STORY OF THE WORLD FOOTBALL LEAGUE BY MARK SPECK PDF

The decade of the 1970s was a unique, fascinating, depressing and exciting period all at the same time. It was a turbulent time that saw many history-making events, and some wild and crazy fads and fashions come and go. A lot of things associated with the 1970s, such as bell bottoms, leisure suits, Jimmy Hoffa, pet rocks, lava lamps, mood rings, Nehru jackets, disco music, and Richard Nixon, didn't survive that turbulent decade. Neither did the World Football League. Like the decade itself, the WFL was at once unique, fascinating, depressing, and exciting. It was a slick, mod, hip alternative to an established entity, the National Football League. It featured the Dickerrod, King Corcoran, bouncing checks, yellow footballs, court orders, magenta and orange uniforms, color-coded pants, Papergate, and singular team nicknames that one scribe said made the WFL sound more like a listing of Indian folklore than a football league. But, also like the decade itself, while the league did not survive the 70s, the wild, zany and hilariously true stories associated with the WFL survive to this day. The WFL never ceased to amaze and entertain. As Alex Hawkins, color commentator for the WFL's Game of the Week broadcasts so aptly said, "The whole thing was so bizarre, that you just had to love it.". All of these stories are chronicled in "WIFFLE" -- a book that can be best described as a 50-yard-line ticket to a real-life Theater of the Absurd.

the editor wiffed on Wiffle

By Brian Maitland

This is a "qualified" five-star project edited in a three-star way hence I'm giving it a four. Let me clarify a bit. The research is top notch. The main problem is the decision rather than let the two seasons flow as a whole, the author covers each World Football League season then does a team-by-team season review. Although these are interesting with two teams playing in a game (well, duh!), you get, for example the author just repeating himself way too much. In other words, if we take the chapter of the 1974 Birmingham Americans and he's discussing a game vs. the Chicago Fire. Then in the 1974 Chicago Fire chapter that same game will be covered. It...makes...no...sense to do the book this way.

Even worse is he has all the team's chapters in alphabetical order, you, for instance, start reading about the 1974 Charlotte Hornets and quickly realize you had better skip ahead and read about the 1974 New York Stars first because that's where the franchise started playing the season. After they bailed on NYC they move to Charlotte.

Throw in the fact that this is a hardcover book and its cost, why no pictures? There are none. I kid you not. Not even middle-page spread on one of the most colorful leagues ever thought up.

Anyway mindboggling because the quality of the writing is there at times although I grew so bored with it that it became a slog to get through each team's soul sucking seasons. The author does, in a good way, suck you into some of the great characters from players to coaches to wacky owners. This book just needed a serious editor to steer author Mark Speck to organize the book a bit more logically than what I think he must think is logical.

This book is a fantastic record of a league with an incredible story

By Charles L. Hall Jr.

This book is a fantastic record of a league with an incredible story. This should be required reading for any Sports Management class as an example of how not to run a league. Had I not been in my early 20s during this era I would have a hard time believing all that took place during this leagues existence. Hopefully somebody will someday produce a similar book about the USFL.

I particularly enjoyed the behind the scenes operations that went on in ...

By Pat Rooney

Interesting take on the failed WFL. I particularly enjoyed the behind the scenes operations that went on in the league office and within each of the teams. I could have done without the game by game reporting of each team throughout each season.
